

Adventure Time - Everything Stays tab by Misc Cartoons

Difficulty: intermediate

Tuning: E A D G B E

The first section is fingerstyle arrangement of the melody.
The second section is fingerstyle accompaniment to the melody.

I have spaced out the notes to roughly show rhythm/duration, and placed lyrics in line above to help.

Each chord name written above lands on a downbeat.

Since there is no melody in the Intro and accompaniment sections, below these sections I have indicated the rhythm: I have subdivided the beat into 12 beats (6 beats on G chord, 6 beats on C chord), with '+' indicating each half of the measure so you can count 2 sets of 6 beats (i.e. '+' shows where to play each chord), '^' showing where to play any other new note, and '.' showing where to hold a note for another 1/12th beat.
If unsure, it's more or less like the melody!

| . = hold previous note on this 1/12th beat of the measure.
| + = start of half a measure.

Lyrics have been added to melodic section (first verse and chorus) to guide rhythm, but the line in the Reprise is not added to indicate rhythm (just to indicate which section is being reprised)
(Reprise is optional - some versions of live performance have this).

The second verse and chorus is accompaniment.
